

VANCOUVER CHESS SCHOOL

BETTER MOVES IN CHESS, BETTER MOVES IN LIFE.

☀ ETHAN SONG MAKES HISTORY! ☀

We are incredibly proud to share a major milestone in the journey of our long-time student, alumni, and now assistant coach – Ethan Song!

At the end of March, in yet another prestigious norm tournament organized by the Pacific Northwest Chess Center in Seattle, Ethan delivered an outstanding performance. Facing a field that included three Grandmasters, Ethan held his own with draws against all of them and scored 6.0/9, earning his first IM norm! 🎯🔥

Standings & Pairings

This remarkable achievement puts Ethan alongside our most celebrated alumni and students, including Junior World Champions Elliot McCallum and Karson Lu. Together, they represent the highest level of success in Vancouver Chess School's history.

From his early days in class to inspiring students every week at our Sunday Chess Club, Ethan has always been a model of hard work, humility, and passion. His journey shows our students what's possible with dedication – and his presence continues to motivate the next generation of players.

👉 2 more norms and a FIDE rating of 2400+ stand between Ethan and the IM title. But knowing him for over 10 years, we have no doubt – Ethan will become a Grandmaster one day.

Let's cheer him on as he climbs the steps to greatness! 🏆👤

FEATURED STUDENT: STEPHANIE WU

Stephanie Wu has been making swift progress through our classes, earning the respect of both students and teachers. A consistent top performer in our monthly tactic contests, she has won several medals in our tournaments. Her promotion to the Bishop class is imminent, a testament to her dedication and hard work.

Beyond her tournament success, Stephanie has been refining her game with meticulous opening preparation using the new system feature, complementing her studies with beautifully handwritten notes. Her passion for improvement and disciplined approach make her a role model for aspiring players in our community. We look forward to seeing her continued success in the Bishop class and beyond!
